

FAN

FEATURES

The fans are used in enclosures to chill down the temperature (heat generated from components). In this way, the life span of the component will sustain longer and not over heated. Come with additional fan guard.

TECHNICAL DATA

SPECIFICATIONS		PRODUCT CODE	DIMENSION
Operating Voltage	230V AC	 XF 4 \$22.00 EA	
Operating Current	0.14A		
Operating Wattage	20W		
Frequency	50/60 Hz		
Protection	Impedance Protection		
Operated	Ball Bearing		
Sizes	4 Inch		
SPECIFICATIONS		PRODUCT CODE	DIMENSION
Operating Voltage	230V AC	 XF 6 \$35.00 EA	
Operating Current	0.14A		
Operating Wattage	20W		
Frequency	50/60 Hz		
Protection	Impedance Protection		
Operated	Ball Bearing		
Sizes	6 Inch		
SPECIFICATIONS		PRODUCT CODE	DIMENSION
Operating Voltage	230V AC	 XF 8	
Operating Current	0.14A		
Operating Wattage	20W		
Frequency	50/60 Hz		
Protection	Impedance Protection		
Operated	Ball Bearing		
Sizes	8 Inch
